# WHO WE ARE?

Isaac dug a well and was initially met with interference and disputes from others. However, undeterred by the challenges, he persevered, and the last well he raised remained untouched. In recognition of this newfound peace and in anticipation of prosperous ventures, he chose to name the well 'Rehoboth,' signifying a place where business could thrive.

CB takes the first letters of the names of directors CUNG THLUAI and director BIAK ER. Through this company, our family and employees, REHOBOTH CB Co. Ltd (Raho Board CB Company Limited) is established, symbolizing the commitment of everyone associated with this company and our country to work diligently and reap the benefits together.
